A MESSAGE FROM THE PASTORS

For freedom Christ has set us free. Stand firm, then, and do not submit again to a yoke of slavery. Galatians 5:1

As we celebrate Independence Day let us take a moment to reflect upon what it means to live in the freedom Christ gives. Christ frees us not only from oppressive external forces, but also from the sinful internal ones. With this freedom, we are free to serve the neighbor, to “become slaves to one another” through love. Paul offers a radically different understanding of freedom. The freedom Christ gives is not freedom for self-indulgence. It is not the freedom to do whatever “feels good.” It is freedom *from self for service to others*. It is the freedom in which life lived in community thrives.

My Story

“Evangelism” means sharing God’s Good News. The Evangelism Ministry Team invites you to share “Your Story” with the church. Here are a few questions to get you started:

How did you come to know Jesus Christ and what difference has knowing Him made in your life?

Tell about a particular time in your life when God’s presence made a huge difference in overcoming a difficult situation.

What is the meaning of prayer in your life? How have you seen God answer your prayer?

You can submit your story to the church office any time. The size of the story is not important – short or longer, the testimony you are willing to share with others will help remind others of God’s immeasurable love.

Newsletter Deadline and Other Information

Your next newsletter deadline will be

Friday, July 9, at 2:00 p.m.

If you have a submission for the newsletter, please email your written article to fumc@fumcbrenham.org or please submit a handwritten article to the church office. This is the best way to make sure that all the information for your article is accurate. Thank you.

Fourth of July

Our children are rolling and rocking this month! We will begin with a bang by celebrating the birthday of our Independence. Then we off with *Sports Camp*. We will learn about the different kinds of sports that we play aside from rolling and catching a ball!

Of course we will continue our *Friday's in the Sprinkler* with all the children getting wet. Our teachers will also enjoy going barefooted while outside on the tarp. We also enjoy having snacks outside along with the occasional picnic.

Watch South Day Street because our banner advertising the CDC goes up on July 12 and will stay there for two weeks! We can thank our CDC Board for this, they are working hard at making the CDC the best it can be.

Lakeview Summer Camp

Well – they made it back safe and sound!!!! Several of our youth and children went to Lakeview this past week and learned more about God, themselves, and how they can make a difference on the world through their generosity! Four of the six who went to camp this year were “first timers”. And they all told me that they were going back next year, so we look forward to bringing an even bigger group!

So...Hats Off!!! To Lane Jurden, Kara Jurden, Allyson Jenkins, Jordan Reyna, Eric Johnson, and Brandon Dyess who all represented FUMC Brenham well at Lakeview this year!!!

Stay tuned for more details about their recent trip to Lakeview in the near future!

MISSION PROJECT UPDATE:

Faith Mission Apartment Refurbishing on Botts Street

We are in the final stage of our work on the apartment on Botts Street. Glen Goodman and Norm Medow put up the new blinds this week. Clifford Brisbin got after the tedious work of preparing the kitchen floor for tile. Freddie from Fisher Tile stopped over and made the "official" decision -- we do **NOT** have to take up the old floor, just prepare the old linoleum before putting down the new square tiles.

Work continues each Wednesday at 9:00 a.m. until we finish the project. -- Pat Clark - 830-1950

All Men of First United Methodist Church

The next meeting of United Methodist Men will be Thursday, July 2 at 6:00 p.m.

Jim Kite, owner of Ace Hardware, will present information about a Rotary Charitable program named "*Children of the Dumps*" in Nicaragua. Jim is a board member and he has much insight about what happens there.

This is a touching story about rescuing children whose only means of survival is scavenging the garbage dump. Through this program children are fed, clothed, educated and supported until they can become self-sufficient. Some go on to college.

Please plan to attend this interesting and informative presentation. Dinner will be served.
